

Jet-Set Accessories

CM-300 Cart-Reel

The optional Cart-Reel™ is a must for professionals. It lets you use the power of the gas jet in buildings and confined spaces where exhaust fumes could be hazardous, while the gas jet stays safely outside. The Cart-Reel comes with two pneumatic tires, 300 ft capacity hose reel, reel brake, gauge, and a shut-off valve.

HM-200-W Handy-Reel with Foot Pedal

For use with any jet, the compact 200 ft. capacity Handy-Reel can be attached to a gas jet so you can use the power of the gas jet inside a building. Or it can be taken up on a roof to clear vents while your jet sits securely on the ground. The foot pedal gives you added safety. Water flows when you step on the pedal and stops when you lift your foot, so you have both hands free at all times to control the hose. The foot pedal is also available separately.

Spray Wands

Get a spray wand and use your jet for high pressure washing and cleaning applications.

Spray wands are made from durable components.

The triggers have a light touch, yet can withstand rough usage.

The wands are insulated and designed

for use with a down stream soap injector. A variety of stainless steel nozzles are available.
