

Drain-Rooter™

For Sinks, Showers, and Laundry Tubs

The Drain-Rooter is a real labor-saver on long jobs, or when working in a cramped area where the weight of the machine could get burdensome.

This compact floor model drain cleaner has a unique variable speed foot pedal system that lets the operator vary the speed of the cage, allowing both hands to be free to control the cable.

The cage holds up to 50 ft. of 5/16" or 35 ft. of 3/8" Flexicore cable. Units with 3/8" cable include our five-piece HECS cutter set.

Flexicore® cables are made of heavy-gauge wire tightly coiled around 49-strand aircraft-type wire rope and heat-treated. It has unequalled strength and the right amount of flexibility. It's so tough it carries a one-year warranty against defect or breakage.

Specifications:

Weight: 16 lbs. (7 kg)

Dimensions: 18" deep x 12" wide x 12" high.
(45 cm x 30 cm x 30 cm)
